

What's New for the 2007-2008 Testing Year?

TOEFL®

Fees for Tests and Services:

- No change in test fees for TOEFL® iBT, TOEFL® PBT or TSE®
- Rescheduling fee increased from US \$40 to \$50

Changes in Policy or Procedures:

- Test Retake Policy – TOEFL iBT can be taken only once in any seven-day period.
- For TOEFL iBT, all outstanding balances incurred from previous ETS tests or services must be paid in full in order to register for any future ETS test or service. For TOEFL PBT, scores will not be reported until all outstanding balances are paid.
- Debit cards can now be used for payment.
- If paying by check, it must have the following features:
 - Check must have a pre-printed check #
 - Check must include Candidate or Payee name and address
 - Check date cannot be over 90 days old
 - Checks missing the pre-printed name and address and checks with typewritten names are not acceptable

Please note – “check” refers to personal checks, not bank drafts. This will be made clearer on the web site, but the bulletin is, unfortunately, already printed.

New Text to Clarify:

- More specific text to tell test takers that everyone will receive additional questions in either the Reading or the Listening section of the TOEFL iBT test that do not count towards their score and test takers have up to four hours to complete the test..
- Specific text to clarify that TOEFL Practice Online (TPO) does not contain the additional questions in the Reading and Listening sections. Therefore, TPO is shorter than the TOEFL iBT Test.
- Specific information about the “QWERTY” keyboard used for testing
- If your ID document contains two surnames, enter the names exactly as presented on your ID document. If you register via the telephone, please ensure that the representative makes your registration in the complete name that appears on your ID document.
- Highlighted text reminding test takers to print their registration confirmation when they complete their registration. Includes instructions on how to do this.
- TSE available “upon request” in areas administering TOEFL PBT.
