

Fulbright Austria Diversity Statement

Fulbright Austria is a binational organization committed to fairness, equality, and inclusion. It strives to foster an atmosphere of acceptance, respect, and mutual trust as well as to create a work environment free of bias. Fulbright Austria believes that all individuals, irrespective of gender, ethnic background, religion, worldview, age, sexual orientation and identity, or dis/ability, can make valuable contributions to fulfilling the Fulbright mission. The opportunities Fulbright Austria provides are therefore open to all qualified individuals. Fulbright Austria recognizes the diversity of Austrian and American societies and strives to ensure that all its efforts reflect this diversity.
