

Your Invitation to Thank Fulbright – Thanksgiving

October, 2018

Last year, we started a new tradition of celebrating Thanksgiving with the Fulbright family. Together we gave thanks and counted our blessings because as alumni of the Fulbright Program, we know how fortunate we are to have had such **life-changing opportunities**.

We hope you will join us this year for our Thanksgiving celebration and rekindle your Fulbright experience.

Your donations make a world of difference to our students, scholars, and teaching assistants, such as Kathrin Wenny, who is a Fulbright Foreign Language Teaching Assistant at the University of Illinois at Urbana-Champaign this year.

“I grew up in a small village in the north of Austria, spent most evenings reading books about foreign cultures and countries by the tiled stove, the heart of our wooden house, and dreamed of going abroad and traveling from one place to another. I knew that I wanted to go even further as a language teacher, to become more skilled and encourage others in learning, and Fulbright Austria has provided me with this unique opportunity I will be forever grateful for.”

With your support, we want to ensure that many more future Fulbright grantees will be able to reach their goals and profit from the same kind of exceptional opportunity that you had in the past.

Be part of our annual call for support! The Austrian Federal Ministry of Education, Science and Research has pledged matching funds for each contribution to our alumni fund this year, so you have a unique opportunity to double your impact. As a sign of our sincere appreciation, Fulbright Austria would like to invite all donors who contribute €100 or more (per person) to a Thanksgiving dinner sponsored in part by the Austrian Fulbright Alumni Association. You can register for the dinner via the included postcard or online at www.fulbright.at/support.

If you cannot attend this year, you can still support Fulbright Austria and help sustain its programs.

Thank you for creating life-changing opportunities for a new generation of Fulbright grantees like Kathrin, and thank you for celebrating Thanksgiving with the Fulbright family. We hope to see you on November 27, 2018.

Sincerely yours,

Dr. Lonnie Johnson
Executive Director

Your contribution and impact will be doubled through funds of the BMBWF. Thank you for creating life-changing opportunities!
